

Your questions answered

Is it compulsory for me to have insurance?

As a professional education provider we take your safety and security very seriously. Therefore as part of our terms and conditions, we require you to have an adequate insurance policy in place.

How do I take advantage of the coverage?

If you would like to purchase our StudyCare Insurance, please confirm this on your application form. The cost of the insurance will then be added to your enrolment and invoiced to you. If you decide not to purchase Study Care you will need to provide proof of alternative cover or we will not be able to accept your application.

When will my coverage start?

Coverage for cancellation expenses starts from the moment you have paid the insurance fee in full. Coverage for the remaining sections starts from the inclusive dates for which you require coverage. These dates will include time for your journey to your study destination and return home.

What will I receive as proof of my coverage?

Your Study Group invoice will show that you have been charged for insurance. You will also receive a summary of coverage which will show your StudyCare policy number and the 24-hour Healix International emergency telephone number in the event that you need assistance.

What happens if I cancel or change my course?

Cancellation and curtailment coverage includes tuition and accommodation fees up to a certain level (cancellation due to illness or accident). If you change your course, we will change the insurance period and premium to reflect the length of course and travelling times, without penalty.

Who do I contact to make a claim?

You should contact your Student Service department who will advise and help you deal with the claim and the insurance company.

Will I have to pay excess against any claims?

In some cases you will have to cover the excess yourself. Full details are set out in the StudyCare policy document.
