

Thank you for deciding to take your course at Liverpool John Moores University and for selecting residential accommodation. Below is an outline of the type of accommodation which we offer.

The Railyard, Unite:

The Railyard student residence is run by Unite – a company who specialise in student living. The residence is located very close to the University Sports Centre, and it is a 10-15 walk to the ISC. The residences are accessed by a secure key card, and there is an onsite launderette for students use. Rent includes utility bills, and there is free 2MB broadband in every bedroom.

All flats consist of kitchen facilities shared between 4-6 students.
All rooms have private en-suite bathrooms.

Premium en-suite rooms - £114 per week
Classic en-suite rooms - £99 per week

For more information please visit:

www.unite-students.com/student-accommodation/liverpool/the-railyard?

Please note – accommodation prices noted are based on guideline rents for 11/12, and are subject to change.

You must complete the online application procedure for accommodation in order to secure a room.

Alternative options suitable for long term options

Liverpool Student Homes:

This is the official private sector student accommodation service in Liverpool, providing information about all types of accommodation including houses, flats and larger private developments.
